1) Targeted performance doesn't represent an actual investment and frequently has sharp differences from actual returns. Targeted returns are inclusive of appreciation and reinvestment of distributions and are net of fees. There can be no assurance that the Fund will achieve comparable results or meet its target returns. 2) Targeted performance assumes a sale of the Fund's investments 10 years after the Fund's close. Targeted performance doesn't represent an actual investment in the Fund and frequently has sharp differences from actual returns. Targeted returns are inclusive of appreciation and reinvestment of distributions and are net of fees. There can be no assurance that the Fund will achieve comparable results or meet its target returns. 3) This Fund is offered by Origin Credit Advisers, an investment advisor registered with the SEC. SEC registration does not constitute an endorsement of the firm by the commission, nor does it indicate that the advisor has attained a particular level of skill or ability. 4) A qualified purchaser is an individual or a family-owned business that owns \$5 million or more in investments, not including a primary residence or any property used for business. 5) The net distribution yield is as of 1/31/25 and is calculated as the (January 2025 distribution divided by the latest Fund net asset value) divided by the (31 days in the month divided by 365 days in the year).
